

## Giving Parents a Choice • Giving Children a Chance

*The BASIC Fund is a privately funded program dedicated to broadening the educational opportunities for children by helping low-income families afford the cost of tuition at private schools.*

*Currently, **The BASIC Fund** supports 3,500 students in 253 schools throughout the Bay Area.*

***This program is intended as a “Helping Hand” for children enrolling into a private school for the first time. The BASIC Fund forms a partnership with parents in the education of their children and expects parents to be actively involved with the schools and their children.***

*In the fall of 2021, **The BASIC Fund** will provide scholarships to students entering Pre-K through the eighth grade. Scholarships are awarded on a first-come, first-served basis until the deadline of **March 31, 2021**. Complete applications submitted after March 31<sup>st</sup> will be put on a waitlist, and will be awarded periodically through the summer of 2021, if funds become available.*

*The number of new Pre-K-8<sup>th</sup> scholarships we provide is based solely on the funding we receive for the 2021 Program. Pre-K scholarships are only offered at active BASIC Fund Schools.*

*Scholarship amounts are based on household size and income.*

### How Do BASIC Fund Scholarships Work?

Completed applications with eligible financial documentation will be awarded first-come, first-served until the deadline of March 31<sup>st</sup>. Complete applications submitted after March 31<sup>st</sup> will be put on a waitlist, and will be awarded periodically through the summer of 2021, if funds become available. The earlier your application and financial documents are received, the better the chance of receiving a scholarship. The scholarship will be renewable through 8<sup>th</sup> grade provided:

1. Your child is in grades Pre-K – 8<sup>th</sup> and gains admission to an eligible school.
2. Your family remains financially eligible.
3. Your family keeps up with its portion of the tuition and fee payments to the school.
4. You pay the remaining tuition balance which will be at least \$500 for each school year per family, but may be more.

**The BASIC Fund** scholarships are based on household size and income. Scholarships usually cover 25%, 50%, or 75% of your portion of the school's tuition, **up to \$2,000 per year**.

Once we receive confirmation that your child is enrolled at the school, **The BASIC Fund** will pay the school directly on your family's behalf. We will make our payment in two installments: half in November 2021, and the balance in March 2022.

*Should a student accept a **BASIC Fund** Scholarship, the student cannot also receive tuition assistance from Guardsmen, FACE or Youth SF. School-based Financial Aid is acceptable.*
