

ST. JOHN VIANNEY
CATHOLIC SCHOOL

Skills your student should practice before entering TK.

SUBJECT	SKILLS	IDEAS TO KEEP SKILLS SHARP
RELIGION	Sit quietly during prayers	Participate quietly during the prayer before meals. Pray together at different times during the day.
READING/READING COMPREHENSION	Listen to different types of books	Read to your child for 10 minutes every day. Allow the child to participate in the story by asking questions about what is happening, or having them retell details from the story.
MATH	Sorting Counting	Put groups of items together, things that are all one color or that are the same, such as buttons Count steps or objects with your child
FINE MOTOR SKILLS	Hold a crayon or pencil properly	Practice coloring/drawing, Play with playdough, putting together building sets
LIFE SKILLS	Follow 1 to 2 directions Self-sufficiency	Ask to have the child put on their shoes and get their coat before leaving. Have them put on their own coat, carry their own bag
