

Name: _____

Location: _____

According to the State Public Health Officer Order of August 11, 2021, all schools must verify the vaccination status of all workers, including all paid and unpaid adults serving in the school.

For purposes of this certification, a person is considered “fully vaccinated” two weeks after completing the second dose of a two-dose COVID-19 vaccine (e.g., Pfizer or Moderna) or two weeks after receiving a single dose of a one-dose vaccine (e.g., Johnson & Johnson/Janssen).

Please select the statement below that accurately describes your vaccination status:

- I am fully vaccinated.
- I received my second dose of the Pfizer or Moderna vaccine or my single dose of a Johnson & Johnson vaccine less than two weeks ago.
- I received my first dose of Moderna or Pfizer, and my second appointment is scheduled.
- I have not yet been vaccinated, but I have already scheduled an appointment to receive my first dose of vaccine.
- I am not vaccinated.
- I decline to answer whether I have been vaccinated.

I understand that I am required to provide accurate information in response to the question above. I hereby affirm that I have accurately and truthfully answered the question above. Vaccination data is highly confidential and will be securely stored.

Date: _____

Please note: According to the State Public Health Officer Order, all workers, including volunteers, who are unvaccinated, incompletely vaccinated, or decline to state vaccination status must be tested **at least once weekly**. The test used must have Emergency Use Authorization by the U.S. Food and Drug Administration or be operating per the Laboratory Developed Test requirements by the U.S. Centers for Medicare and Medicaid Services. In addition, within the Diocese of San Jose, all fully vaccinated workers, including volunteers, must be tested at least once monthly, following the same test-type requirements outlined above. The results must be submitted to the school administration. Please note, these conditions may be amended from time to time as state, county, and/or local guidelines change.

School Verification of Vaccination Status:

The Order requires the school to visually verify vaccination status of fully vaccinated workers, including volunteers.

Principal or School COVID Designee, please select the mode through which you visually verified vaccination status.

- COVID-19 Vaccination Record Card (issued by the Department of Health and Human Services Centers for Disease Control & Prevention or WHO Yellow Card) which includes name of person vaccinated, type of vaccine provided and date last dose administered.
- A photo of the Vaccination Record Card as a separate document.
- A photo of the Vaccination Record Card stored on a phone or electronic device.
- Documentation of COVID-19 vaccination from a health care provider.
- An approved mode of verification was not provided by the individual.
